Seeking assignments in MuleSoft/ WEBMETHODS DEVELOPMENT

with an organization of repute

EXECUTIVE SUMMARY

- ↳ A results-oriented software professional with **6 years** of experience in design, development and testing in EAI, ESB, EDI middleware integration solutions.
- ↳ 2 years of experience in design and development for Mule ESB Project, Cloud hub, API Management, and continuous integration. **Certified MuleSoft Developer (Mule 4)**
- ↳ Good experience using mule connectors like Anypoint MQ, DB, HTTP(S), FTP, FILE, (S)FTP, JMS, Salesforce, SAP etc... and enterprise application integration (EAI) using Mule 4.x
- ↳ Well versed in using Anypoint studio in creating various flows to integrate API's, Databases and SAAS applications.
- ↳ Good experience of developing SOAP Webservices as well as REST API's.
- ↳ Experience of working in multiple RDBMS like Oracle, MySQL, DB2, Microsoft SQL Server
- ↳ Excellent debugging and problem-solving skills peered with strong communication and client interaction skills.

SKILL SET

- **EAI/EDI Integration Tools:**
MuleSoft 4.x, webMethods Integration Server 9.x, 10.x Sterling Commerce Gentran Integration Suite 5.2 (GIS), Tumbleweed Secure Transport 5.2.1, TDXchange BTrade 4.3.0
- **MuleSoft components:** Design Centre, Anypoint Exchange, Runtime Manager, API Manager, API Gateway, Anypoint Studio
- **webMethods components:** My webMethods Server 9.x, 10.x, webMethods Designer 9.7 and 9.12, 10.3, 10.5 Universal Messaging, BPM, webMethods Broker, SAP adapter, JDBC adapter, EJB adapter, MQ adapter, Trading Networks, Terracotta, Command Central Administrator, Messaging, Monitor and Task Engine
- **XML & WebService Technologies:** XML, XSL, DTD, XSLT, SOAP, WSDL, EDI, JSON
- **General Tool :** Jenkins, SVN, Grafana, Elastic search
- **Web skills:** HTML, PHP, JavaScript, AJAX, JSP bootstrap and CSS
- **RDBMS:** Oracle 8i/9i, MS SQL Server, DB2
- **Scripting/ Languages:** C, C++, Java, SQL, Unix basic commands and Shell Scripting
- **Integration protocols:** http, https, FTP, SFTP, RFC, JDBC and EJB

Project 3: “Manhattan Integration Framework – MuleSoft and webMethods”

Duration: September 2019 – present

Senior Software Engineer

Manhattan Associates Active solutions and supply chain process platform (SCPP) helps to optimize the supply chains of more than 1200 global customers, from planning through execution. MAO (Manhattan Active Omni), MAWM (Manhattan Active Warehouse Management) and SCOPE (Supply Chain Optimization, planning through Execution) is the company’s suite of supply chain management software generally designed for majority of customers. It includes supply chain execution, warehouse management, transportation management, supply chain planning, inventory management, and sales order solutions.

Responsibilities:

- Designed & Developed the Integration among multiple application (Host applications, Internal MA applications – MAO, WM, TLM, MAWM, DOM, Scale) as per the requirement using various webMethods components - webMethods Designer, webMethods Integration Server, Universal Messaging, Terracotta, IS Administration, JDBC Adapter, SAP adapter, EJB adapter, MQ adapter
- Data conversion using Data weave 2.0 in various formats like XML, JSON, CSV etc.
- Used multiple connectors and protocols like Anypoint MQ, File Transfer, HTTP(S), Google Pub Sub etc. for integrating applications.
- Mule ESB 4.3, MuleSoft Anypoint Platform, CARA, PVCS, TFS, Anypoint studio, Data weave 2.0

Project 2: “One Hub – webMethods Integration”

Duration: July 2018 – August 2019

Responsibilities:

- **Environment** - webMethods Integration Suite 9.12
- This project involved building integration platform for various diverse in-house applications internally as well as between AkzoNobel and its partners
- Used Trading Networks for all EDI based, and non-EDI based transactions for both internal applications and external partners using Universal messaging as messaging provider for Pub-sub model
- Using Jenkins and SVN for version control
- Developed web service based, REST based, File polling based, scheduler-based interfaces

- Designing and development of **utilities to automate monitoring and support process using Elastic search and Grafana**
- Hands on experience on designing, development and testing Integration solutions using various webMethods components – **webMethods Designer, MWS, webMethods Integration Server, Universal Messaging, Trading Networks, Terracotta, IS Administration, JDBC Adapter, SAP adapter, EJB adapter, MQ adapter**

Project 1: “Confidential webMethods Integration”

Duration: Nov 2015 – Dec 2017

Responsibilities:

- **Environment** - webMethods Integration Suite 9.7
- This project involved building integration platform for various diverse in-house applications internally as well as between Sony and its partners
- Designed integration scenarios considering the **business interactions between the systems using Pub-Sub Model and Point-Point model.**
- Worked on **administering Integration server, backup/recovery, code management, migration, certificate installation Trust store.**
- Hands on experience on various webMethods components – **webMethods Designer, MWS, webMethods Integration Server, webMethods Broker, IS Administration, JDBC Adapter, SAP adapter, EJB adapter**
- Involved in the management, analysis, development & testing of EDI solutions involving ANSI X12 & EDIFACT.
- Strong business and technical exposure in EDI business integration solutions and B2B development.
- Developed maps to convert EDI to flat file and vice versa using GIS tools such as Map Editor.

ACADEMIC CREDENTIALS

2015	BE (Computer Science) from UVCE with 77%
2009	Higher Secondary Schooling from Karnataka state board with 90%

Certifications, Awards and recognition

FY161H	Best performer of the quarter FY161H (In Sony)
FY162H	Best performer of the year 2016 (In Sony)
FY182H	Accolade Champagne for the quarter FY18 H2 (In ATOS)
FY202H	Spirit Award - Rockstar Rookie 2020 (Manhattan Associates)

Certifications

2021 – 2023	MuleSoft Certified Developer (Mule 4)
-------------	---------------------------------------

PERSONAL DOSSIER

Date of Birth:	6th June 1993
Address:	G1, Jana Jeeva Regency, 19th cross, 7 th main, BTM 2 nd Stage, Bangalore-76
Status:	Unmarried

I hereby acknowledge that the above information detailed is true to my knowledge and understanding.
